

Typical Web-application Structure and Logic

Disclaimer: вы смотрите просто запись лекции,
это HE специально подготовленный видеокурс!

Intro

The purpose of this topic is to show and discuss a simple web application with several basic functions.

Disclaimer about this application

Yes, there are bugs.

Yes, the application is primitive.

NO, this is NOT a final beautiful production ready solution.

Typical Web-application Structure and Logic

As this topic is about the application, we'll review it in IDE and browser. See the code in '06 02 - Typical Web-application Structure and Logic' folder.
